

Chipper Entertainment presents  
**Beat the Winter Blues with**  
**A Night of Comedy**

**At the Doherty Hotel, Clare MI**

**Headliner: David Dyer**

David Dyer has been performing stand-up at clubs and corporate events for over twenty years. He's worked with some of the best comics in the industry including Mike Birbiglia, Jim Breuer, and Lewis Black. He's been a contributing writer to NBC's "*Late Night with Jimmy Fallon*" and "*ABC's Politically Incorrect*". He's a regular on the nationally syndicated "Bob and Tom Show" and frequently guest hosts multiple radio shows for Cumulus Broadcasting in Grand Rapids, MI. Coming in July, he'll be the host of a new web series called "Sidecar Sessions" where he interview his guests who will be sitting in the sidecar as David pilots the bike. He also created and currently stars in another web series called "Pillars" that can be viewed on his website at [www.daviddyercomedy.com](http://www.daviddyercomedy.com).

**Featuring Adam Degi**

Adam Degi isn't just another straight white male comedian. He's bald, and his talent and joke writing separates him from the pack. He won the Funniest Person in Grand Rapids Competition in 2009 and was in the Semi - Finals of the Comedy 10K in 2014 as well as being featured on the cover of Revue magazine. He was in the Boston Comedy Festival in 2016 and just released his debut comedy album His Name Is My Name Too in September of 2017.

His strangely endearing personality and ability to riff, rant and improvise sets him apart and makes every show unique. With an unapologetic, outspoken, unfiltered, and often unscripted act it's difficult to tell when he's telling a well written joke or just getting something off his chest. Adam Degi is anything but predictable and when he has a microphone in his hand you never know what might happen, he might even sing A cappella, so grab a seat and pay attention!
